

TC-9 / TC-10 / TC-12 / TC-14

This small deck over equipment trailer is just the right size for hauling lighter, bulky equipment. The TC-series by Towmaster® features a 5-ft. wood-filled beavertail and 8 ft. wide deck. Dexter® Torflex® axles give this model a predictable, smooth ride. Our patented Auto-Latch® ramp hold-ups are standard and stake pockets provide a secure place for tying equipment. This model is designed for wider small equipment that doesn't require the heavier weight rating of our large deck-over trailers.
