

Towmaster's® deck-over tilt trailers offer convenience and durability. No ramps to hassle with, simply tilt the deck and drive on or off. It features our patented automatic kick-out ramp that doubles as under-ride protection, a single-lever twin-latch system, stationary forward deck, Hutchens® suspension, and a deck cushion cylinder to ease the deck up and down.

Patented automatic kick-out ramp doubles as under-ride protection.

Cushion cylinder controls the deck tilt when loading or unloading equipment. Optional Hutchens® 9700 suspension shown.

4-foot stationary deck is standard and allows room for longer equipment and the added length makes towing easier.

Quick Specs:

- 32.5" deck height (loaded)
- 8'-6" deck width
- 24' tilt deck, 4' stationary
- Air brakes
- D-ring tie-downs
- Hutchens® suspension
- Kick-out ramp/under-ride protection
- Single-lever twin-latch locking system
- LED lights

Photos may show optional equipment.
